

Belco Resources Equipment

Box Blades & Rear Blades

Whether you need a small Box Blade to move dirt or gravel in your yard or a commercial duty Rear Blade with Hydraulic Tilt and Angle, the Tar River Line of Ground Tools by Belco Resources Equipment has you covered.

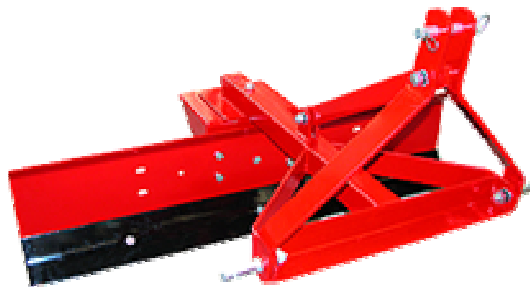

The BBX-2 Series Box Blades are available in three popular sizes of 60", 66" and 72". With clevis hitches and 3/8" and 1/2" side plates makes the Tar River Box Blade a great tool for all around dirt maintenances. The front and rear replaceable 6" scraper blades for quick and easy replacement make the Tar River line of Box Blades an excellent choice.

A full line of Rear Blades to fit your entire needs. From the Standard Duty BRB-2 Series blade for simple grading jobs all the way up to the 6-way BRB-908 Heavy Duty Rear Blade with Offset, Tilt and Hydraulic Angle in an 8' model for your toughest jobs.
